NEW BUSINESS

CONFERENCE UPDATES AND ATTENDANCE

The Board discussed the Pacific Northwest Clean Water Association Conference and the invitation it received to attend a meeting regarding endorsement certification. The Board reviewed the agenda and determined the topic of the ABC Operator Certification being used as a means for endorsement or reciprocity would be of significant interest in light of the licensing climate across the nation. Mr. Parker made a motion to authorize the expenditure for one night hotel, airfare and per diem for Mr. Shepherd to attend the special meeting on Tuesday where the topic would be covered. It was seconded by Mr. Sifford. Motion carried.
